“ I knew Gary for many years through Central Fairfax Services and when we changed to Service Source. Gary loved making doormats. He had a great sense of humor and he will be greatly missed. Deepest condolences

“ Gary was Andy's little brother and the best brother-in-law you could have. We tried to keep his life full of family and fun. Just like the picture you see. That was a COWBOY theme birthday. One birthday I racked my brain trying to find something he would have fun with. Then I saw it, a bowling ball with his name on it. SO I got that, a lucky shirt, and the rest is history. Now he can challenge his brother to a game.

*I met Gary when he relocated from Lynchburg VA to the former NVTC in Fairfax. I worked with him on a residential building and also when he moved into a group home in Annandale. He was always interested in others and their lives. My sympathy to his family on his passing. Sincerely, Ellen Montour Einstein*

*I have known Gary since the very early days at Central Fairfax Services/ServiceSource. He was very sociable and enjoyed talking to everyone. Gary loved making doormats at work and was great at selling them to his friends, family, staff and ever visitor that would come by. Gary had a big heart and it was a pleasure to support/work with him for over 35 years. My deepest sympathy to Gary's family. He will truly be missed at work. Sincerely, Jacque Scholl*
