“ Shocked and sadden to hear about Gary. Many regrets for not trying harder to get in touch with him this past month. I tried calling Flordia, during the time of Omas passing, but did not get to speak with anyone, only got answering machine, trying to get in touch with Gary then. The time I spent with Gary, my dear cousin, was when we both were very young, he was fun, sweet, a lot of laughs, a joy to be around. I always looked forward to seeing him at the family reunions, and listen to him sing. He was a talented man and loved to sing. He will surely be missed by all that knew and loved him. My deepest sympathy to his family. Love to you Gary
