“ Dear Mr. Moe, We've had a lot of memories being neighbors all of these years, and the neighborhood won't be the same with out you. The boys will miss stopping by for a visit while they're at mom's house, and I know the girls at art class will miss your prescence, as will the rest of your family and friends. The memories we hold of you will always be in our hearts. May you rest in peace. Love, John, Corinda, Brandon & Parker
