“ This was my beautiful grandmother. She saw in me things that no one saw and understood me like no one else does. I will always cherish the memories of going to get plants on Wednesdays, her black coffee with cream (no sugar), and touching people like no one I've ever seen. Couldn't even go to Disneyworld without running into someone who knew The Plant Lady. :) Words can't express the loss here on earth but the gain that God has in Heaven now. She's with her husband, her sister, her best friend Millie and so many more. THAT makes me smile. I love you Nan and I'll always be your Cita. Carrie

“ A smile costs nothing but gives much. It enriches those who receive without making poorer those who give. It takes but a moment, but the memory of it sometimes lasts forever. None is so rich or mighty that he cannot get along without it and none is so poor that he cannot be made rich by it. Yet a smile cannot be bought, begged, borrowed, or stolen, for it is something that is of no value to anyone until it is given away. Some people are too tired to give you a smile. Give them one of yours, as none needs a smile so much as he who has no more to give. ~Author Unknown I will always remember and cherish your warm smile Nana, you will be greatly missed. Stay strong Grandmother and Pappy, I love you.
