Gloria Golladay Green, 74, of Mt. Jackson, went home to be with her Lord and Savior on Sunday, October 4, 2020. A graveside service will be held Wednesday, October 7, at 2:00 p.m. at Mt. Jackson Cemetery. Pastor Glen Turner will officiate. Friends may sign the register book Tuesday from 9-5. at Valley Funeral Service in Edinburg.

Gloria was born November 29, 1945 and grew up in Quicksburg. She was the daughter of the late Luba Turner Golladay and Garland Z. "Gummy" Golladay. On October 11, 1969 she was united in marriage to Larry W. Green who survives.

Gloria is also survived by brothers, Garland Franklin Golladay and wife Judy of Manassas, Ronald Wayne Golladay and wife Jaynelle of Mt. Jackson; son, Aaron Scott Green and wife Anne of Harrisonburg; grandchildren, Ryan Scott Green and Paige Elizabeth Green. She is also survived by numerous nieces and nephews.

The family would like to thank the nurses, doctors and support staff who provided talented and loving care to Gloria at the Winchester Medical Center. We saw the sadness in their eyes as she passed.

Gloria graduated from Stonewall High School and the Rockingham Memorial Hospital School of Nursing. She spent the next forty-four years of her life serving her fellow citizens as a Registered Nurse at RMH. She worked in the Emergency Room, Nursing Coordinators Office and In-Patient Hospitalist program. During her tenure she had a positive influence on countless patients

and co-workers alike. We have all come to appreciate those selfless health-care workers and support staff who give up so much for others. That was the life she lived and she will be missed by everyone she touched and the lives she enriched.

In lieu of flowers, donations may be made to the Mt. Jackson Rescue and Fire Department, P.O. Box 251, Mt. Jackson, VA. 22842.

“ *Dear Larry, Aaron, Anne, and all the family, I met Gloria 25 years ago as a new RN/BSN graduate when she was Nursing Coordinator at RMH. She had sharp eyes, an even sharper wit, and a kind heart. What a blessing it was to meet someone like her when I was just starting my career. She was so easy to talk to and so funny. It was a gift to learn from someone who had been in the trenches and was part of our profession progressing and moving forward. I'm so grateful for her commitment to excellence in Nursing- RMH and the community benefited. Praying hard for you all during this difficult time.*

*Sincerely,

“ Dear Larry, Good nurses are a dime a dozen but great nurses, like Gloria, are few. Just wanted to share with you that Gloria taught me so much about clinical and compassionate nursing care delivery in the '80's when we worked together at RMH. I loved working with her and had great respect for her. She never hesitated to take a stand against the doctors if she felt her nurses were being unnecessarily disrespected. Things were much different then and this required much strength and courage.
I will always remember Gloria for her stern exterior and soft interior and will forever respect and hold dear the teachings she lent me.
The world has lost a great nurse and mentor.

“ Dear Larry and family - I am so saddened to hear of Gloria's passing. I spent several summers with her and my aunt and uncle when we were teenagers. They were like a second family to me and my siblings - they were always there and welcoming to us. Gloria and I had a lot of fun together and she was always so pleasant to be around. I will miss her and am so glad to have the good memories.
God bless you all.

“ Dear Larry, Frankie, Ronnie, and family,
My childhood is so wrapped in memories with the Golladay Family!
Living next door, riding bikes everywhere, all those Christmas Eves,
picnics over in the Fort, butchering days, the big maple trees, so
many memories. “Gloria Jean” was the big sister I never had. I
remember her purple flowered prom dress and my mother and I
were there when she married. I am so sorry and send my love. Truly
a life well lived and a life well loved. Peace and comfort to all of you.

Gloria was such a strong, wonderful woman. We admired her so much at work for her work ethic, sense of humor and common sense. I remember her telling the story of how she and her husband met when he arrested a drunk patient in the ER. She would laugh and it was adorable. We all loved her so much at RMH. Fly high Gloria.. your time on earth was well spent.
