“ Although I didn't know Gloria personally, her daughter, Bonnie, is my friend. I have heard through her so many wonderful things about her mom.

It was inspirational to read the many kind words about her in her obituary.

Bonnie, I am so sorry for your loss and I know you have so many wonderful memories that will help you during this time of grief.

May God give you and your family strength during this time.

Aunt Gloria you are missed by me, I tried to come to see you a few years [2022] ago but was not allowed something to do with Covid. I was hurt but it's ok. I have so many memories with you, you showed me how to knit and crochet. Which dearly loved to do. Please tell the family hello for us. It's funny how I think about you everyday. RIP AUNT GLORIA MISS YOU AND LOVED YOU.
