“ Greg was my neighbor at massanutten estates years ago. I remember his mom and dad And remember sitting on my porch steps with Greg talking when he was a young man..he and his parents were good neighbors and we helped each other through a big snow storm while living there. His dad used to go out every Sunday morning to get the Washington post and he would bring me one. Billy and I are so sorry for your loss. We have such fond memories of him and his parents.
