“ Greg was my first playmate and friend when we were just toddlers together in Edinburg. We grew up together and remained friends throughout our lives even when I moved away from the area. Many teen evenings were spent listening to Greg, Ricky , Richard and Bobby and others play music. He was so talented but never really believed it. We did not see each other often as adults but when we did we were always able to fall back into the old rhythms of friendship. In my heart I know he is now out of pain and playing music with friends in a better place. My prayers go out to Thelma, Gladys, Linda and the rest of the family.
