“ Eula and family, I am sending yall prayers and hugs as you navigate through this very sad time. I will miss Harlan very much. He and Eula have meant the world to me. I am thankful for all the conversations Ive had with Harlan through the years. He was steadfast in his belief in God and was always eager to spread Gods word at every opportunity. He had that quick Greer sense of humor just like his brothers and sisters. This is a sad time for those of us who love Harlan (and Eula), but it is also a relief to know he is no longer suffering. He is at peace now and is with David, Paw Roby and Grandmaw Villar as well as his siblings and all of his loved ones who were waiting for him. We lost a special man and Heaven gained a true gem.
