“ I wanted to send my deepest sympathy to the family of Mr. Hoffman. I also wanted to share something that was shared with me when my father passed away that brought me great comfort. At Revelation 21:3 & 4 we read that, pain, sorrow, and even death will be done away with. Can you imagine a time when we won't see these things anymore! What a wonderful thing to look forward to. Also, for those who have passed away, we can find comfort in Act 24:15, where it tells us that there will be a resurrection of these back to life on this earth; just as Jesus did for his friend Lazarus. Such beautiful blessings in store for all mankind. I hope this brings the comfort it did to me. Sincerely, Sandi
