“ *Remember growing up with corky running the streets of Woodstock va.He would always ask me in the morning if was spending the night with him even tho I was always with them. Just Always I had a comfortable sleeping bag on his floor to spend the night. Also playing football or softball in the rain on the corner of church st. His laugh and always having to think he was in charge even when us other boys were just letting him think so.*

“ I have a lot of good memories of Corky growing up he was a special nephew to me. A cute memory I have when he got older. I was in VA the family was all together .Some of us were all talking together . Corky looked down at my feet and said ah ah Aunt Linda do you have fake toe nails on. God love him I had a French pedicure :) He was a special boy to me . Knowing he is in a good place with those of the family that went before him and not suffering anymore and knowing we will see him again is something to hold on to. Prayers and hugs to all of the family .
