I feel terrible missing the viewing and funeral because in 2000 miles away. Your missed so much by so many. I have to believe that God needed a perfect angel like you to help poor out the rain. Give grandma and Katherine a hug for me. I have so many memories of us as we were kids growing up whether if it was me visiting at the house or us spending summer weekends at trout pond. “ I worked with Heather at Wal-mart and she was such a great girl. I didn't know her very well til we worked side by side in Layaway. I was always happy when I would find out Heather and I would be working together...she was so fun to be around. I loved her "SASSY" attitude. ...she made me smile so much....even when I didn't feel much like smiling. She switched jobs and went to work where my husband works...she was always waving and saying hi to him. And every time she came into Wal-Mart to shop and I was working she would always run over and give me a great big hug. She gave great hugs and I miss them already. Rest in peace Sassy Lady and I will see you again some day. I love you to pieces.

“ I'm so sorry for the loss of your beautiful daughter. I did not know Heather, but I was there at the accident that morning, passing through just like any other morning. As I approached, goose bumps ran all through me. I cried as I saw her car being towed away. I prayed for her. Now I pray for your family to have the strength to cop with this horrible loss. I too carry a heavy heart along with yours. I have not been able to get that morning out of my head. The pain I feel is unbelievable being I did not ever have contact with Heather, so I know your pain is unbearable. God Bless your family. Fly High beautiful girl.....Fly High!!!!
