“ Our thoughts and prayers are with you and your family Terry. Your mom's expression of love was clear when she saw her loved ones. May God give you all the comfort and peace of our Lord and Savior during this difficult time.

“ I was deeply sorry for the loss of dear Helen. I wish I could have spent time with her over the years. When I was a little girl, I remember walking into her house on Fairchester and she would be behind the piano, playing and singing. She was very talented... I'm very happy she is with the Lord now and the rest of her loved ones..
