“ The tears we cry are for the memories and moments we have with aunt Lu and enriched our lives. The tears are because we will miss you until we reach heaven and dance with you BoBo. She was such a special person and it's evident by the response of her passing. Our community will miss you, our family is missing you but we will be together again thanks to Jesus Christ.

“ Tracy, Amy and family. My heart is breaking for all of you for the loss of Lucille. I know that you will miss her but you are also rejoicing because she is in Heaven and is in no more pain. Lucille was an amazing person with a heart of gold. She fought so hard to stay with you but she got tired. She is with Boyd and the rest of her loved ones walking those streets of gold. I pray God wraps His loving arms around each of you and gives you peace and comfort. I loved Lucille as well as each of you. Rest in peace my dear cousin and one day I will see you again. Love, hugs, and prayers for all of you.
Love Anna Lee
