“ My mom was the strongest woman I knew I loved her for being strong I've had rough times with and without her by my side and without her guidance and tough love I wouldn't be the woman I am today I finally managed to get into college and I'm upset she wasn't here to see me recieve my letter but ik she did from heaven and I'm deeply upset I never saw her before she passed I have regrets in life and being Austin and Deakin's little sister and my mother, Holly Keyt's daughter those were never any of those regrets I hope mom is looking down on me and the boys and I hope she says I'm proud of my kids and I hope she knows we were proud of her as a mother too!
