“ To Gene's family and friends: I have known your father for 50 years and met him when he was in the Air Force at Fairchild Air Force Base in Spokane. He was the most honorable and smartest man I ever met. The thing that mattered to Gene the most was family. He was so proud of his kids and adored the grandkids. He will be missed by all who knew him. Rest in peace my dear friend.

“ To: Gene's Family We are shocked and saddened to hear of Gene's passing. Gene and I were high school classmates and graduated together. Gene always had that mischievous grin on his face and had a joke to tell. He kept us all laughing. I saw him somewhere last year and he still had that grin. Our thoughts and prayers are with you all at this time. With Heartfelt Sympathy, Steve & Jerri (Whetzel) Rosensteel

“ Dear Jeff, Just taking a moment to offer my sympathy and condolences on the passing of your father. Looking at his interests (lifetime member of the NRA, sportsman, etc), it seems he and I have much in common, as you and I do, with Agricultural Education and the VAAE as our "common ground." I look forward to meet him one day, and will leave it to you for the introduction. In the meantime, please know you and all your family are in my thoughts and prayers. Sincerely always, Darryl Holland
