“ Hunter's kind eyes, heart and talent will be missed in the world. It was a long time ago when I was in 8th grade and Hunter was in 9th grade that we became fast friends for a short while. He had a sparkle in his eye back then, and I loved hearing him play the guitar in the Central cafeteria with his friends. I pray that family and friends will feel his warmness in times of need. It is with heartfelt empathy I wish those closest to him peace and comfort.

Hunter, you are a kind soul, and I wish you the rest you deserve surrounded by peace. You will always be loved. Vicki (Hodges) Powell

“ Hunter, you will be missed by all those you have touched in your life. You were a great friend to my late husband Mike Lutz. I'm glad that I had the chance to meet you.

“ Hunter will be missed. I spent quite a few sleepovers at his place around , I guess the 6th or 7th grade. We would climb the cliffs around Pew's Run, and throw knives at targets. He got pretty good on that dulcimer. We talked about most everything. There was no doubt what he thought, and you knew where you stood. Hunter was a salt of the earth type, kind of like Nathaniel in the New Testament. Shalom my friend, until we meet again.
