“ When Jon had a heart attack in 2007, Skip was there for him visiting in the hospital, and helping as Jon lost his short term memory. We appreciated that. We missed seeing him the few years. Sending our prayers to all of his family. Jon and Karen Whetzel

“ Growing up in Great Falls, whenever I needed help with anything, I knew I could always go to Irv. He was always there to help. It was a long time ago, but he will always be in my memories of those days. He will be missed!
