“ Cookie and family It was with a heavy heart that I heard of Skeeter's passing He was not only a father n law to me, he was a friend a mentor of life and one hellava good man Family came first to Skeeter no matter what and he treated me, a total outsider like family, accepting, considerate and always a hoot with his dry sense of wit Heaven got a good one and I will always remember the memories spent with him and the entire Getz family Thanks again for making me always feel like family, it meant more than you will ever know.
