Jack was born in Elkins, West Virginia, grew up in Annandale, Virginia and graduated from Fairfax High School. He lived, worked and played in Annandale, Virginia until his retirement when he moved to Woodstock, Virginia because he loved "The Shenandoah Valley."

Jack proudly served the Fairfax County Fire and Rescue Department as a young volunteer firefighter and at the age of 32 became a career firefighter for another 23+ years. He was a role model for many firefighters. In 2012 Jack Biller's name was placed on the Driver's Door of the Seven Corners Engine 28 out of respect for his service to his community and of course his outstanding driving skills. His love for the fire service influenced his son and grandson to follow in his footsteps.

Found true love at the age of 80 and married his "girlfriend" Jean.

Jack was preceded in death by his parents, his sister Sally Burns and his two sons Steven and Timothy. Jack is survived by his wife Jean, daughter Terrie Lynch, and son Tony; four grandchildren and seven great grandchildren.

I wanted to spend the rest of my life with you. But instead, I am deeply honored knowing that you spent the rest of your life with me. You will always

be missed, always loved and always remembered. -your loving wife
