“ Dad, my heart is broken but I'm so glad I was with you the last hours before Jesus took you home it's very hard for me being on this Alaska cruise, but I am gambling for you and I know you are watching because I am winning. I will always take care of your Pearley and I will always miss you. I love you, Karen.

“ Dad, I am so very sad and heartbroken but I'm glad I was with you up till the last hours. It has been very hard for me to enjoy this cruise that I have been on for the last week, but I have been gambling in your honor and I have been winning because I know you're up there looking down on me and giving me luck. I love you and I will always miss you and I will always take care of your Pearley.
