“ *Kelly's mom Pat is my sister and I was seven years old when Kelly was born. He was the first newborn baby I ever saw and I was in awe of him! Over the years there were many family gatherings. Kelly and his sisters and brother were a big part of our lives when I was growing up. I'm so sad that I had not seen him in a very long time but I believe that our family is carved in our hearts regardless of distance. When I heard he had passed it hit me very hard. Kelly, I love you and miss you. I hope that we will meet again on the other side...with fond remembrances, your aunt Terri*

“ *Our family fondly remembers a young boy outgoing and full of energy. He grew into a man who was interesting to talk and reminisce with. His suffering is over now and he is at peace.*
