“ I want to offer my condolences to the Jackson family and friends. It is a painful thing to lose a love one in death. Take comfort in knowing that our Heavenly Father knows your pain and has promised to get rid of this enemy death at Isaiah 25:8 "he will swallow up death forever. And the Sovereign Lord Jehovah will wipe away the tears from all faces." He promise to awaken our love ones from sleep in death. Notice how this is beautifully expressed at Isaiah 26:19 "Your dead will rise ...Awake and shout joyfully you residents in the dust! ...the earth will let those powerless in death come to life." Exquisite joy it will be to see our love ones again! I hope these words give you all comfort.

“ I want to offer my condolences to the Holler family and friends. It is a painful thing to lose a love one in death; even Jesus wept when Lazarus died(John 11:35). Our Creator calls death an enemy and promises to eliminate it forever__ Isaiah 25:8 "The last enemy, Death, will be brought to nothing." He has also promised to awaken our love ones from asleep in death__ Hosea 13:14 "From the power of the Grave I will redeem them; From death I will recover them." Let these comforting words from our loving Father keep comforting all of you.
