“ *Charlie and Pat, I can't imagine enduring this kind of pain but there is also much pain in seeing a child suffer. I pray for you to have the strength to endure this. This has made me reflect back on old Great Falls days, the kids being young and innocent and what seems like now, a much easier fun time. It makes me sad looing contact with old friends. Your family is in my thoughts*

“ *You will truly be missed. Our condolences to the family and the friends. Guess God needed some air fresheners in his truck.*
