“ Jane was one of our most valuable substitutes when I was principal at Stonewall Jackson High School (1998 - 2008). She would come to school on short notice, and always did a good job with her classes. She became part of the faculty and often joined us for lunch or other social events. She also helped me with my school board election in 2009, which I greatly appreciated. Jane was a wonderful person who will be missed. My sympathy to her family, whom I never met, but heard about from Jane.
