“ Janet was an inspiration I believe to all who knew her. I loved the stories she shared with our Forestville Fellowship group and seeing the works of art she created with her hands - lovely needlework. She certainly was a blessing to all who knew her. I love how proud she was of her family and the love she has for all of them. She will certainly be missed by all. Louie - I know how much Janet appreciated your care for her and you know the love you two share is special. My thoughts and prayers are with you and your family.
