“ *My husband and I met Jason at Food Lion many years ago, he was always so friendly and no one was ever a stranger. We later went to Woods Chapel where we found he attended church. I'm sure his Grandma Ms. Rene was there at the gate to hug him and welcome him to his Heavenly Home, thoughts and prayers to Teresa, Allison, Linda, Allie and family and many friends*

“ *I learned to know Jason through Food Lion. If you went there you might have found him working the meat department or out stocking shelves anywhere he was needed. Always making jokes, but then also so serious at times. He will be missed by many. My heart goes out to his fiance and his little girl. She is a daddy's girl and he would light up Everytime he talked about her. RIP Jason and prayers for his family and friends 🙏*
