“ Tracy, Aunt Lois and Joan and families, I am so sorry that Jean has passed. I worked with her at school and she was so nice to everyone. I will miss seeing her at Patty’s restaurant. She was such a gentle person. I was going to come to the funeral but the snow kept me away. I pray that God will comfort you all in your grief. Diana💕💕

“ Tracy, Brandon and family. I came to know your Mom and Grandmother when she worked in the schools where my girls, Melissa and April attended. Our paths crossed years later when Gene and I joined the tractor club. She always had a kind word and dear smile and was a joy to talk with. Truly she will be missed by those fortunate to have known her. Sending my prayers and love ❤️ to you folks.

“ My deepest Sympathy to the family of Jean Wilkins. Jean and her family were our neighbors for many years. They were the best. I pray for all Jean's family members My thoughts go with each of them. Jean and I use to visit in the summer and it was so hot, we would go out on the porch and have lemonade or if it was cool we would have a cup of coffee. Memories are wonderful and that is just a few and there are so many. Love and Hugs to all.

“ Jean always had a smile for me and I am sure, for everyone else as well. She was always upbeat and I enjoyed talking with her. This was such a sad and unexpected jolt to hear but as we all should know, when God calls us home then we go and Jean would certainly joyfully go. Prayers to all of her family as you say your goodbyes to Miss Jean.
