“ Jeanette was a very giving person. She used to bake Christmas cookies and bring to our home along with gifts, when our son was young. She is the person that inspired me to bake numerous varieties of Christmas cookies . I enjoy baking them with my Granddaughter each year now, and bake some to give away to family, and friends. I enjoyed having Jeanette and Donald for Thanksgiving dinner several times. One Thanksgiving we had two dinners due to a problem we had with our turkey deep fryer, an extra blessing that day. Will miss this lady. Love and Prayers to the family, Jeanie
