“ Jenny, Jimmy and rest of family -- We are so sorry to hear of your loss. May the Lord put his comforting arms of love around you as you grieve. No matter the age of our loved one, it is very difficult to let go. I really enjoyed talking to her at past reunions, I will miss that. She was such a sweet lady. May you find comfort in these words. Ecclesiastes 12:7 Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it. Willie and Chris Hottinger Bergton

“ I had my tonsils out in late December 1960. I was 6 years old. With two elementary school sisters my parents had to get home soon after they got me checked in. Jeanette had either just gotten her nurse's certificate or was still in training. After she was free that evening, she came to my bedside and sat with me for a while, providing comfort to a scared cousin. I will never forget that kindness. And I will never forget seeing her at the family reunion. I missed her this year. Nothing but kind thoughts going out to Jenny, Cathy, Frank, and their families. Tom Tutwiler
