“ Jeannie and I struck up an online friendship many years ago when I was going through a difficult time in my life. Jeannie was an incredible friend through that time. It had been a couple of years since I heard from her and I occasionally did a search on her to see if I could find her again. I was very very saddened to come across her obituary. Jeannie will be missed by so many whose lives she touched. 40 was way to young for her to go. Prayers to DJ, the kids and her family.

“ My thoughts and prayers are with all the family at this time. It is hard losing a parent, even harder losing a child. I hope Jeannie, now with God and being cradled by him, knows that her girls and her cat are well loved and will be taken care. May she rest in peace.
