“ We are so sorry to hear of Jennifer’s passing. It wasn’t until just recent that we had learned of her health battle through Facebook and had reconnected on social media. We went to school together as kids and were close growing up. Jennifer was always a caring friend that always helped in whatever capacity that was needed. Rest In Peace dear friend. May God watch over your family.

“ *My deepest sympathy for the entire family. Jen's life and example can serve to all as a pattern for living. Jen's grandmother ,Clo, was my mother's sister and my aunt. What wonderful memories I have had the privilege to experience! Jen was a baby when I married in 1971 and her sister, April, was the flower girl. Carolyn, you were with Jen when she took her first breath and her last. I am comforted knowing that she knew and now lives with Jesus. His comfort and peace is far beyond our own understanding.
