“ To all Jessie's family, I am so sorry for your lose. I worked with Jessie at George's in Edinburg. She was a "hoot". Always spoke what was om her mind. That's what I loved most about her. She was funny & had a very loving heart. She will be sadly missed.

“*Jessie was larger than life and always a presence. I would always get a little bit giddy when I knew I would get to see her cause, good Lord who knew what she was gonna say! She told us all like it was and there was no two ways around that! I loved it and loved being around her. She raised the most amazing people. Everyone with their own distinct personality and way in life but also instilled with what makes people good people and a foundation that family is everything. What a blessing to have her as your momma, sister, friend; all the things. She will be missed tremendously.*”
