

Jewell Maxine Emswiler

May 5, 1923 - December 30, 2018

Jewell Maxine nee Stinson Emswiler was born May 5, 1936, in Arkansas the youngest of 4 children to Lee and Clara Stinson and went to be with her Lord, December 30, 2018. She met Carl Emswiler when her family moved to Jacksonville, Florida, where he was stationed with U.S. Navy. They married after a whirlwind courtship and moved, for a time, to the Naval station in Newfoundland where they learned life-values really important to them. In Richmond, Virginia, Carl received a degree in pharmacy from the Medical College of Virginia and they opened a pharmacy in Leesburg, VA, fulfilling all their dreams. They turned the pharmacy into an office practice for pharmacy, a concept they pioneered. Jewell, gave up her own career, joining Carl and becoming his full partner in business as well as in life. Their efforts to develop collaboration among health professional students and practitioners is honored by the creation of an annual symposium named for them. Its purpose is to foster increased collaboration among health care providers. Jewell served on and chaired the Loudoun County Planning Commission, the town council, and was an active member of the Rotary Club. In her spare time, she earned a degree from George Mason University. Her love for flower arranging and gardening was evident in her involvement in the Sarasota Garden Club where she was a president. Her love of photography was showcased in the Best of Loudoun 2012 Award. Jewell will be missed by her many loving friends and family. She is survived by nieces Delores Socher and Jeanette Stinson and nephews Henry and Vaughn Stinson. In lieu of flowers memorial contributions

may be made to the Adler Center for Caring in Aldie, Virginia. A celebration of her life will take place Thursday, January 3, 11 am at Dellinger Funeral Home in Woodstock, VA and Saturday, January 5, 11 am at the Leesburg United Methodist Church. Previous Events Service JAN 3. 11:00 AM (ET)Dellinger Funeral Home 159 N. “ Our sympathies to Jewell's family on her passing. She and Carl became great friends of ours during our time serving together on the APhA Foundation Board. We visited each other in Minnesota, Leesburg, and Sarasota. You already know that she and Carl were important in moving the pharmacy profession forward in the clinical patient care through their support and leadership. We are thankful for the opportunity to know them, to work with them to lead the organization forward with new ideas. Marv and Joanel Dyrstad

“ We were so fortunate to have met Jewell at the Sarasota Garden Club when we first joined in 2012. She was there with her smiles and camera and encouragement to everyone at all events. As President she helped to reorganize the club and supported the introduction of new technology with a new website. She also got involved with learning Floral Design and enjoyed the symposium's and flower shows, and even traveled to Ireland to enjoy her friends and the world flower show. Her fun spirit had friends enjoying "Kentucky Derby" parties and lovely Christmas Time gatherings. She encouraged us to attend First Church in Sarasota and got Pastor Bill to lead our Blue Star Marker Ceremony. We thought of her the entire time we sat on Christmas Eve and knew she was looking forward to joining her love of her life, Carl when the Lord decided. We will miss her dearly and thank her family for all their care and support they have given her these past months in Virginia. God Bless You All. Love Don & Betty

“ *I had the honor of directing the Emswiller Interprofessional Symposium that Jewell endowed to further the work her husband, Carl, and she began to increase collaboration among healthcare practitioners. Over the past seven years, hundreds of practitioners and students attended the Symposium and learned how better teamwork is essential for healthier patients. She always attended and spoke about her life and the importance of communication and teamwork to her as both Carl's business partner and as a patient. She was an inspiration and a driving force for so many wonderful things that grew from the Symposium. We will miss her dearly on February 2nd when we have the eighth annual Emswiller Interprofessional Symposium and plan to celebrate her memory. “ I worked at the pharmacy from the time I was 16 until I graduated from college. I learned so much from her that it is so hard to put into words. Both Mr and Mrs E were a significant part of my success and were always there for me. I will truly miss your smile and your guidance. Until we meet again, may you have found peace in the arms of Mr E and God. Love always Kristen
