“ My beautiful friend has gone from my sight but never from my heart and mind. Joan and I had a special friendship that began forty years ago at Shenandoah Lodge in Harrisonburg, VA. I was so proud of her success and accomplishments in carrying the message of hope to others in need of help. My deepest condolences to her family and other friends. I am going to miss Joan immensely but must accept that she is now with the God of her understanding, so I must "Let Go and Let God"...

“I worked at Mountainwood Treatment Center and Joan was one of my case managers. She had a wonderful way of getting clients to open up and confide in her. She was so dedicated to helping those struggling with chemical dependence. Joan was an inspiration and will be terribly missed by all who knew her. We had a lot of laughs and good times together. My thoughts and prayers are with her family. May God bless you sweet Joan.
