“ Don, Linda, Keith & families, Our thoughts & prayers go out to you all! I would like to share one of our memories about Joan. Our oldest daughter Kelly was born 3-26-86. My parents came out from Neb. to be with us for her birth, but had to leave before we were discharged. Kind of a bitter-sweet day. We took our new baby girl home on Easter Sunday. Steven & I were getting her settled in to her new home & thinking what would be good for our Easter dinner. There was a knock at the door, it was Don & Joan!! They had surprised us with a beautiful Easter dinner for two! Cornish hens with all the fixins! Even tho all my family was back in Neb., that day Don & Joan reminded me they were my VA family!! Thank you Joan for all the kindness you shared with our family!! God Bless you & all the memories you gave us!!! Steven would also like to share a memory of Joan. In 1971, Steven was 14 years old & loved to ride his motor cycles! The Yarnalls & Cox families only lived a mile from each other. Like all the Cox boys & Keith they like to ride hard & fast!!! Steven was going to visit a friend & he saw Joan coming down her driveway, waving for him to stop. She said she had just gotten Keith to sleep & Steven had waken him up! Joan asked Steven not to make so much noise & just go home for the rest of the day! That is just one of the many memories I have with Joan. She was a wonderful woman & will be greatly missed! God Bless you Joan!!!

“ *Dear Don, Linda and Keith, My thoughts and prayers are with each of you. Joanne was a wonderful to me when I was first learning the business at Sheets. Please know that she was a wonderful mentor to me and shared many wonderful moments with me. After work, she taught me many crochet stitches and patterns. I also remember watching Keith a few times. I hope I can make the memorial service. God Bless each of you, Debi Morral-Salman*
