“ *I only met Jody once but my sister and brother-in-law (Richard and Tiny Moyers) spoke of her often and how much she meant to them. My late sister thought so much of her and her grandmother. My thoughts and prayers are with the family.*

“ I went to school with Jody up until we moved to Ohio in the 9th grade. I still remember in like 7th grade her getting perfect attendance since kindergarten. I will never forget her smile and how she lights up a room. My Father in January has been diagnosed with stage 4 lung cancer and we are on our 4th set of round 1 chemo. I pray every day! Jody was way too young!! She will never be forgotten and heaven gained an angel! I am so sorry for your loss!

“ I will never forget our summer sports camps, our moms carpooling for sports, taking driver's ed together and her parallel parking, and sitting beside each other in senior English. We shared many laughs then and good adult conversations through last fall. I will remember her big smile, pretty straight white teeth, her laugh and sometimes snort, her humor, love for her family, friends and how beautiful she was inside & out. She will be missed by everyone, but greeted by some other classmates, family & friends as she smiles down on us all. I am so sorry for your loss!!

“ It is exceptionally sad when someone so young is taken from us. My heart goes out to all who are left behind; all who love and care for Jody; all who grieve this tremendous loss.
