“ My husband & I were classmates with John. I didn't have a car in our senior year so John dropped me off at my work on his way to work at Rocco every day. He was really a nice person. Thank you John for being a friend! Janice & Ken Ryman

“ John and I were classmates. I remember he would drive his 61 Chevy to pick me up to go to school. We hung around together back then. I haven't seen him for 50 years. It's a shame how we loose track of our friends. John was a good guy.

“ I've known Johnny since 1967. He was always such a great guy. I got to ride in some of his first cars and we had great times together. He always had a smile for everyone. Met and knew his mother and his family. Will miss him. Prayers for his family.
