“ *I will always see the 6 of you as children, playing and laughing together as I spent Summers there with all of my cousins. Those times are still some of my favorite memories. My heart breaks for the loss of John (John boy was what we called him those days). Gone way too young and leaving such an empty place in the hearts of everyone that loved him. I'm sending you all my love and hugs for comfort in this difficult and sad time. May his memory be a blessing!*
