“ Johnny.....My memories of all the things we did together in high school will be cherished forever. You were not only a great friend, but I loved you like a brother. We had so many great times together, I would never be able to count them all. Even though it's been years since I've seen you, my heart is broken and full of sorrow. Thank you for allowing me to be your friend, and once again.....Thanks for the wonderful times and memories. Until we meet again brother!!!
