“ Dear Miller Family Members, We are writing to share in your loss with the passing of your son and brother John. He was special to us as well, and spent last Christmas Eve with our family. We knew him by the nick name that he went by in Harrisonburg of Jasper. We appreciated his witness to his faith for salvation in Jesus Christ. He also had a welcoming and generous spirit. We know that he talked with many people and never met someone that he treated like a stranger. He was also helpful to those who were homeless and gave small financial gifts for their support as he was able. We together claim the comfort that comes from Christ, knowing by faith that we shall all meet in the Father's heavenly kingdom. So may you find this a real comfort as you morn John's passing to his eternal home in heaven. He is really home at last and free of the difficulty and suffering that he has experienced in this life. God bless and keep you, John and Susan Stahl 409 Summit Street Harrisonburg, VA 22802 PS. We would be happy to know when and where memorial services will be. If possible, we would like to be present.
