“ We will miss John coming up the road on his fancy ATV with who knows what in the back for us to look at. We will miss laughter with him over silly animal antics (calves, cats, dogs and pesky groundhogs). We always shared our garden with him and Betty. Betty I hope you know we are always there for you now and later and love you like our neighbor Mom. Doug and Laura Miller

“ So very sorry to hear of a classmate's passing. Fifty one years ago we graduated from high school .I haven't seen him since the night we graduated from CHS. John was a friendly person and I counted him as a friend in school. May the Good Lord hold his family tight.
