“ *Doug and Dawn, I worked with Joyce for many years at the "old" Cedar Ridge Family Physicians. Many memories of those days. You have my loving sympathy.....Gus: She talked about you and Cort all the time. She was a wonderful grandma, and loved you to infinity and beyond. Don't recall the other grands names. All of your were her "heart" Kitty Miller*

“ *I loved Joyce. Always a smile, ready to share stories and laughter, so lovely to be around, and you went away with a full and happy heart after being with her. She was a wonderful gift of selflessness, even as a kid running around in Catonsville, with us younger kids right behind. You are loved.*
