“ *Joyce was my aunt. My earliest memories of her started from about the age of 4. I'm now knocking on 50's door.*

As I reflect on all the memories from the past 1/2 century every moment I spent with my aunt Joyce was consistent.

She was fun, gracious, energetic, entertaining, and always the kindest person in the room.

She was small and full of energy and will be missed by everyone she knew.

Much love - M Boggs

“ *Joyce was a lovely lady and always gracious to me in the few times we were together. She loved her children and grandchildren. She was small but feisty.*

Please know we are wishing all the family our sympathies during these trying days.
