“ I knew Judy from Potomac Senior High School in Oxon Hill, MD. We were in 12th grade English class. I didn't know her very well. I found out about obituary from a friend that lives in Front Royal, VA and knew I went to Potomac my senior year. He saw the obituary in his local newspaper and sent it to me. I was shocked to hear the news. My deep condolences to her family.

“ Judy was my childhood neighbor! I knew her family well! She was the strongest person I knew! With all she went through losing her Dad and Brother so close together and fighting to get that Cancer out! Judy kept in touch and posted so many beautiful pictures from her house and garden! She lived in God's country and her husband Bob kept her happy! Thanks for all the memories! Love and miss you!
