“ I grew up close to Kenny and his brothers and sisters in Strasburg and will always remember his mischievous smile when he was messing with someone. He was a character for sure! Our deepest condolences to his family! I can still remember him jumping on the train to get to his house from the stuck school bus! He was waving and his smirking smile was something that I always have remembered about Kenny. God please. Mike and Karen Lambert

“ We didn't get to know Kenny as well as some here but he was in the new member classes at the Grove with the wife and I. It didn't take long to start a friendship with me teasing him about the Eagles as he wore their emblem all the time. While looking like sa tough guy we found him to be a very friendly person. Rest in Peace Kenny.
