“ Kenny and I always spoke and laughed about something each time we saw each other. I just spoke with him last Thursday at the Central Football game and we both laughed about the fact we always seemed to meet at the game at the same place which was right beside of Coach Walters. I will miss this man. I knew him since HS and played Football, softball and drank a few brews with him and his group of friends. He was indeed the most genuine person I have ever known. Rest in peace my friend and I will keep cheering for our favorite teams.

“ *RIP Igor. We shared a locker for our first couple years at Central. You were always happy. Nothing ever seemed to get you down. You played 3 years of varsity football, and although you didn't get much playing time, you were a valued teammate!! Rest easy my friend.*
