“ Kolby was my son, my first born. He was my first real true love. From the first time I held him in my arms, I knew he was special. He had a calm demeanor, was very caring, and loved with his whole heart. He had a brother, Bryce Miller, who was left out of his obituary that he lived with for nine months last year and was very close with. He also had my life partner Jesse Miller and his son Marcus Miller as a huge part of his life. He had a life partner, Alyssa Payne, whom he loved very much and would be so upset she was not included. For the last two years they spent all their time together. He would not have wanted these people to have been left out.
