“ We kids played sandlot sports; baseball, football and basketball like maniacs in those days before video games. We lived a couple blocks from each other near Downey Park, where we played many a football game in the fall. In the spring we always had our baseball gloves hanging on our bicycle handlebars ready to play. I'll remember Kyle always loved sports, and was very athletic. May he Rest In Peace.

“ I had Kyle many years ago as a junior high school student. I will always remember him as being a fun-loving kid who cared about others. After reading through these condolence notes I can see that must not have changed over the years. Judy and I can only add our own prayers to these others.

“ I am so sorry to hear about Kyle. Kyle was friends with a lot of people in Clinton all through school. He was missed when he moved away from Clinton just as he will be missed now. As many of my classmates already posted on here, Kyle always had a smile on his face and loved to laugh. My thoughts and prayers go out to all of Kyle's family at this difficult time. He will always be remembered by the CLASS OF 1980. GOD BLESS

“ I am so sorry to hear about Kyle. Kyle and I were friends through high school and spent a lot of time having fun around Clinton and our occasional road trips. I spent a few crazy nights with Kyle and Nate at college. Kyle had a lot of friends there. My wife and I met up with Kyle and Mary at one of the first high school reunions. We had a good laugh that Kyle and Mary brought their black lab with them. My wife and I brought our black lab with us from Florida. Our thoughts and prayers go out to the Kent family. Jim Peterson

“ My sympathy to the entire Kent family. The last time I saw Kyle, he was a toddler being pushed in a stroller on West Main Street by his sister, Dana. So, in reading the many comments made by those who knew him later in life, I am pleased to discover that he became a fine man with a loving family. May God bless.

“ Dearest Kent family, I worked with your husband and father over the years at a couple of different industries in the area. We always enjoyed each other and made a mundane job a little fun. We rode to West Virginia about 17 years ago in my little sports car and one of the rear wheels almost came off. Kyle had fun none the less. He was at his best having fun, seriousness about things and life he did not seem to enjoy. God understood his pain and suffering, and takes all that in consideration, Im sure he is with God now, after all God loves all of us no matter how we come to him, please I hope you find comfort in understanding the depth of Gods love and understanding. God bless you all. Emmett
