“ Levi joined our family when he was 7 years old when my brother married his mom. We all fell in love with him because he was such a sweet little boy who loved to give us all hugs. Now that he was a grown man, that still held true .Every time we'd see him we still got that big hug!. Our hearts were broken along with everyone else who loved him when we heard about his accident. We all prayed and prayed that his life would be spared , but God had other plans. He was so kind to everyone he met. I'll always remember him telling me that when he got married someday he was going to have a whole house full of kids 😊 Thank the Lord for sweet little Cooper □ Tiffany, Michele, Tony ,baby Cooper and the whole family, our hearts continue to be with you and we pray God will give each of you peace and comfort in the days weeks and months ahead. We love you all very much . Levi keep giving those hugs out in heaven buddy.Until we meet again ❤️❤️ Robert & Rhonda

“ As neighbors growing up, Levi was a big part my childhood and my brothers as well. I remember he would always take us on four-wheeler rides, shoot BB guns, and show us all sorts of fun stuff. On snowy days, it never failed that he would build snow forts with us then have big snowball fights, even getting our families in on it. He was truly like a big brother to us growing up. I pray for Tiffany, Cooper, Michelle, Tony, and all who loved him. He was a true light on this earth, and he will always be remembered. We love all of Levi's family, we love you Levi, and we will miss you greatly.

“ Even though I did not know him super well personally, he always acted like he had known me his whole life and treated me like family every time we talked. It breaks my heart to hear about this abrupt ending. I suppose God needed him sooner than anybody thought. He will be deeply missed. Sending extra prayers and hugs back home. ☐

“ We are so thankful that Levi was part of our family. We watched him grow from a little boy to a loving, caring, young man, husband and father. He never failed to give me one of his big tight hugs whenever I saw him. He was loved beyond words and will be greatly missed. Prayers for comfort to all that knew and loved him.
